

Facility Guidelines for Arenas that are being used by North Toronto Hockey Association for Select Tryouts. If there are any changes a message will be sent to all coaches.

North Toronto Arena Protocols

- Maximum number of skaters on the ice is 40.
- The arena would like all players and team officials born in 2009 and older to be fully vaccinated to enter the Arena.
- For those not already vaccinated, those born in 2009 and older will need to have their second shot by October 17th to be fully vaccinated by November 1st.
- Only players and coaches are allowed in the arena for tryouts.
- No spectators or parents will be allowed to enter the arena. Team officials are to help with anyone who can not tighten their skates.
- Before coming to the Arena all players must complete a COVID screening on the day of tryout. Please ensure parents bring a printed copy to the arena. Here is the link to the [COVID Screening](#).
- All skaters must remain in the dressing room until it is time to go on the ice.
- There is no warm up of any kind allowed anywhere in the arena. If needed this should be done outside before they come inside.
- All Tryouts will get a flood before they go on. NO EXCEPTIONS.
- Team Officials can come in 20 minutes before their ice time to set up a table just inside the sliding doors or if it is nice outside the registration can be done outside.
- All players will enter the arena at the same time and will be let in 15 minutes before the tryout starts to check in and go to their dressing room.
- Each team will be given 3 Dressing Rooms. Maximum of 7 individuals per dressing room. There will be 2 additional chairs in the hallway. If any team thinks that they will have more than 23 SKATERS they must call the Arena to try and make arrangements.
- No showers will be available
- Team Officials who are not going on the ice will stay in the PENALTY BOX AREA DURING THE TRYOUT.
- Once all players are in the arena the front doors will be locked.
- All players are encouraged to come dressed for tryouts - except for skates.
- Face masks must always be worn in the Arena; they can be removed once you put on your Helmet. When you come off the ice and you remove your Helmet you must put your Face Mask back on.
- No outside food or drinks allowed into the arena
- At ALL times within the facility please adhere to social distancing requirements (6'/2m apart)
- Physical distancing on the ice is mandatory. No close contact, body-checking, face-offs, or spitting.
- If you need to use the washroom, please use the main arena washrooms.
- Players and Team Officials are to be out of the arena 15 minutes after they come off the ice.
- There are no meetings allowed with players or team officials anywhere in the Arena.
- The Pro Shop is open if anyone needs a Sharp or anything else.
- It is the responsibility of the team rep or coach to make sure that all participants are aware of the protocols and to keep a list of all participants for each tryout.
